DAILY CHECKLIST

SLEEP

Spend 20 minutes in the outdoors before noon

Cut out caffeine entirely (or at least limit intake before noon)

Stop all emotionally upsetting input or communication before 5pm

Establish a bedtime routine that includes taking 2 doTERRA Serenity 1 hour before bed and 2 drops of the essential oil blend on bottoms of feet at bedtime

Stop using all electronics 2 hours before bed (ideally 2 hours after sun down)

RELATIONSHIPS

Watch your talk, limit negative output and refrain from negative thinking about yourself. Try replacing negative thoughts with positive affirmations and anchor them with an essential oil applied while stating your affirmations.

Limit contact with toxic individuals who are negative toward you or others

At the start of each day, identify at least three people you're thankful for and send them a gratitude text message or email

At least once a day, look for someone else to serve

Write down a healthy dream of yours and allow yourself time to think about it daily
