

Invitation

I'd love to personally invite you to a trip with us to Broome.

I sure could use some sunshine, sandy beach, good friends, and great conversation. How about you?

I would love to chat with you about how we can get you qualified to attend and what's even better you can come for free!

Message me back if you're up for a chat about how we can make this happen together. I am totally committed to supporting you and have some exciting ideas about how we can get you there!

Sending you love and good vibes. *XO*
