

Spiritual Aromatherapy and Astrology

A certified course

Online | May 2, 2023 - November 14, 2023

Purpose of the Course

A course to help you bridge your personal connection with the universe and create aligned learning & action to give you the confidence to live a richer, deeper & more fulfilling life. Expand your essential oil knowledge for yourself, your business and your loved ones in new and powerful ways.

Specific Objectives

- Learn the symbology and meaning of the essential oils and planets
- Know the correspondents of and elemental aspects of both essential oils and the planets
- Discover how to create essential oil blends based on your personal charts
- Create essential oil synergies to harmonise and balance
- Gain wisdom on the most effective pathway for you and your chosen path
- Create a deep, effective and profound relationship between yourself and the Cosmos
- Transform your life with the power of ritual, devotion, plant medicine and ancient wisdom from the stars and planets

Required Text

- Gifts of the Essential Oils, Second Edition book
- Magic of the Essential Oils Oracle Cards
